Kids, make sure you ask these questions to your parents as well!

**Discuss it!**

- How does this story point back to Jesus?
- How can we love others who are different from us? Remind kids that because God loves all people, we are called to love all people. Tell kids that the best way to love others is to share Jesus with them. Explain that we can also serve people to show that we love them such as helping a kid at school with homework or being kind to a new kid at school.

### ENGAGE THE HEART

Have someone read one (or all) of these verses. (John 15:4, James 5:16, 1 John 1:5-10, 1 John 1:9)

- How do you need God's help this week?
- Is there any sin we need to confess to Jesus and ask Him to forgive us?

### REVIEW THE MISSION

Have someone read one (or all) of these verses! (John 20:21 and 2 Corinthians 5:18-20)

- Who is someone who needs God's love and how can we show it to them?

*Want Family Mission Ideas? Here is one that relates to this week's lesson!*

- Celebrate the differences in God's creation by having a buffet of different meats, fruits, and vegetables for family dinner. Try to find items that kids might not have tasted before. As you enjoy the meal together, talk about the differences we see in God's creation. Remind kids that God loves all people equally and wants everyone to hear the good news about Jesus!

### PRAY TOGETHER

Pray together as a family. You can pray short prayers like, "God, thank you for" or "God, help me with" or "God, I'm sorry for..."

**In light of our lesson,** praise God for the uniqueness we see in His creation. Thank Him for the variety of colors, shapes, and sizes that we see just in people. How do our differences show God's creativity? How can we celebrate differences as a sign of God's love for us?
