Series Memory Verse:

“Salvation is found in no one else, for there is no other name under heaven given to mankind by which we must be saved.”

- Acts 4:12

One Big Thing:

Jesus is making the sad things come untrue.

Review:

This week we continued filling in God's great, big, huge and best of all TRUE story. We saw how Jesus showed His love and revealed that He was God by healing people while He lived on the earth. We looked specifically at the story of Jairus' daughter and the sick woman (Mark 5:21-43). In God's story of Creation, Fall, Redemption, and Restoration we know that everything is not going to be perfect like it was at Creation. However, through Jesus' miracles while He was on earth and the way that He works in our lives today, we can trust that He is slowly but surely making the sad things come untrue and one day will fully mend God's broken world.

Good Questions to Ask:

- 1. Q:** As review, who is the main character and only hero of God's story?

A: Jesus is the main character and only hero of God's story! It's not you or me, but thankfully God invites us to be a part of His story.
- 2. Q:** Why did Jesus heal people during His time on earth?

A: Jesus healed people to show them His love and that He was the only one that could undo the sad things that came into the earth as a result of sin.
- 3. Q:** What does Jesus do in our lives today to undo the sad things which are a result of sin?

A: He comforts us and promises to be with us in difficult times. However, mainly Jesus shows us His love by forgiving us of our sin.

Pray together as a family:

Father, thank you for sending Jesus to undo all of the bad and sad things that came into the world as a result of sin. We know that things won't be perfect until Restoration, so until then, please help us to continue to trust that Jesus loves us and that He is working to make all of the bad and sad things come untrue.
